PRINCIPAL MESSAGE

It gives me immense pleasure to write the Principal's message for the second issue of the News letter of our college. A news letter mirrors a college its vision and mission. It also highlights activities, events, academic progress and achievements. Though, we have not reached our targeted destination, our strides are definitely fast towards progressive development. Today, education means much more than merely acquiring knowledge. This year we introduced an Induction Programme for the freshers of UG program for a week which was quite successful. Each student was afforded the opportunity to receive introductory training in art, music, drama, yoga and meditation and physical education. I believe through such a training students become socially conscious, intellectually competent, religiously vibrant and emotionally balanced. I am thankful to the dedication and commitments of the faculty, supporting staff and disciplined students of our college. My Special thanks to IQAC co-ordinator and NAAC co-ordinator for their painstaking effort in publishing this news letter. Our management is always vigilant in constantly equipping the institution to attain its vision and mission. I hope that the students may make use of those facilities and privileges. I am proud of being the Principal of such a wonderful institution dedicated to the causes of better India. Let's give our best and make this institution a "temple of wisdom" through our diligence and dedication. Wishing you all the best...!

IQAC QUALITY INITIATIVES

Exam Reform Workshop

An Exam reform workshop was held on 27th September 2019 to deliberate on the following themes with regard to exam reforms.

1. Mode of External Valuation (Single or Double)
2. Panel of Examiners
3. Key preparation by Internal Examiner or Q.P. Setter
4. Evaluation method for NME paper
5. Transparency
6. Introspection of CIA

After the hectic discussion of the themes, coordinators of the different teams presented their respective views in the forum to be taken up in the subsequent academic council meeting.

IQAC Internal Review

As part of the quality initiative of the IQAC, an Internal review was conducted from 25.03.2018 to 28.03.2018 in the form of a review by NAAC peers. The Secretary of the Madura College Board, The Principal, NAAC Co-ordinator and IQAC Co-ordinator visited all the departments to review the progress of various departments, the quality initiatives undertaken and the status of document submission to IQAC office. Suggestions were solicited from the faculty on modes of enhancing quality in all aspects of teaching and learning.

Student Feedback

Automated student feedback on course/curriculum, teachers and on administration was collected from all the students of our college online in google forms. A computer laboratory with internet facility was kept open exclusively for the purpose of feedback collection. This task was successfully completed with the help of a team of students. The feedback collected was analysed and a consolidated report was submitted to the college administration

CELEBRATIONS
